\$49.95

Includes MYOB Student Edition software DVD

A title from the **A Step by Step Approach** series.

This workbook covers the performance outcomes, skills and knowledge required to process business taxation requirements related to Business Activity Statements (BAS) and Instalment Activity Statements (IAS), including the completion of Activity Statements. This workbook has been written to the 2014-2015 financial year. Superannuation information and calculations are current as at September 2014 (when the legislation was passed), i.e. @ 9.5%.

This unit has application to a variety of financial services sectors. It is applicable to individuals working within enterprises and job roles subject to licensing, legislative, regulatory or certification requirements, including various aspects of taxation law (including but not limited to the *Income Tax Assessment Act 1936*, and the *Income Tax Assessment Act 1997*), other relevant legislation and Goods and Services Tax (GST) rulings. The Tax Practitioners Board (TPB) administers specific educational and experience requirements for registration of BAS agents and sets specific assessment requirements that must be met.

Includes FNSBKG404 supplement. Supplement is available for download free of charge from the Sample File link below.
